If there is no designated activity, the court is OPEN.

At times, the courts become extremely busy, and during these times, we ask members to work together to come to a mutually agreeable compromise or solution. If this cannot be achieved, please refer to the following guidelines when a court is designated as Open Court:

- Each half-court space is available on a first-come, first-served basis
- We kindly ask that players allow others to join in (with like sports) when other court space is not available
- Anyone 12 and older, who is using the space, has priority until they are finished or the court is designated on the schedule for another activity
- If a group of 8 players are present on an open full court first, they have priority on that court until they are finished or the court becomes designated on the schedule for another activity

In the rare circumstances where our policies do not directly address the particular situation, the activity is then subject to approval by the Supervisor on duty at the Front Desk, whose decision is final

Schedule Exceptions

- Monday/Wednesday, 5:00 PM — if 20+ basketball players are present, they are allowed use of both full courts

- Racquetball Court 1 is available to shoot hoops
 - Racquetball Priority: Monday-Wednesday, 11:30 - 1:00 PM and 4:30 - 7:00 PM
