REC CENTER

# B.A.S.E. Camp is for EVERYONE, but especially for YOU!

“After having two total knee replacements I was struggling to get in shape and build back my strength and improve my balance, B.A.S.E. Camp does both in addition to helping with agility and endurance. The B.A.S.E. Camp instructors are fantastic, and willing to meet you where you are at physically in your health journey.” -Barb

“After just 6 weeks in the program, my knee/leg pain was gone!” -One very happy B.A.S.E. Camper!

*It's simple,  
but it's NOT!*

“When I first started B.A.S.E. camp I didn't know what to think of it. The exercises looked very simple with light weights, but they were more challenging than I thought. When you finish a session of B.A.S.E. Camp you know you have had a workout! You will discover areas where you are weak and use exercises to strengthen those weak areas. It has also helped me to adjust my incorrect form which affected my other workouts.” -Tim
