Court Etiquette

1.) As always, practice good sportsmanship, including using clean language.

2.) To avoid interfering with play on active courts, enter your designated court at the closest access point when it is your turn to play.

3.) For Pickleball: Do not use the “ball stop” dividers when courts are adjacent to each other (East/West).

4.) To prevent court damage when dismantling the Pickleball nets, do not let the horizontal bars fall to the ground.

5.) Please plan on being off the court by then end of your designated time. Courts should be empty and ready for the next activity by the next designated start time. Allow yourself appropriate time to teardown nets etc and exit the courts.
